CLASSIC

Added Protection for You and Your Family

Chances are you know someone who's been affected, directly or indirectly, by cancer. You also know the toll it's taken on them—physically, emotionally, and financially. That's why we've developed the Aflac Cancer Care insurance policy. The plan pays a cash benefit upon initial diagnosis of a covered cancer, with a variety of other benefits payable throughout cancer treatment. You can use these cash benefits to help pay out-of-pocket medical expenses, the rent or mortgage, groceries, or utility bills—the choice is yours.

And while you can't always predict the future, here at Aflac we believe it's good to be prepared. The Aflac Cancer Care plan is here to help you and your family better cope financially—and emotionally—if a positive diagnosis of cancer ever occurs. That way you can worry less about what may be ahead.

HOW IT WORKS

The above example is based on a scenario for Aflac Cancer Care – Classic that includes the following benefit conditions: Physician visit (Cancer Wellness Benefit) of \$75, bone marrow biopsy (Surgical/Anesthesia Benefit) of \$125, NCI Evaluation/Consultation Benefit of \$500, Initial Diagnosis Benefit of \$4,000, venous port (Surgical/Anesthesia Benefit) of \$125, Injected Chemotherapy Benefit (10 weeks) of \$6,000, Immunotherapy Benefit (3 months) of \$1,050, Antinausea Benefit (3 months) of \$300, Hospital Confinement Benefit (10-week hospitalization) of \$14,000, Blood/Plasma Benefit (10 transfusions) of \$1,000.
